

Dear Mr. Connolly,

Adam Garfield and I (Nick De Palma) would like to include Democracy Matters at SUNY New Paltz in the Public Talks initiative. When notified of the specific date, we will be glad to post the flyer on our school library's door.

Our media is tainted, and too rarely are people hearing/reading the truth. Little of the full picture of U.S. involvement in Iraq and Afghanistan gets through to most people because major news stations that are majorly influenced by private interests are hushing the full potential of the airwaves.

Please let us know what we need to do for the future of Public Talks. We will help here at SUNY New Paltz to our fullest capabilities.

Sincerely,
Nick De Palma and Adam Garfield
