Object: Confirmation of participation

Dear John Connolly,

I am writing as a follow up to our telephone conversation. I got a chance to visit the website and I must say the idea is awesome and very noble. I discussed with our members and they are supportive of the efforts and positive.

So this letter is to convey to you our participation in the discussion(s) with other Universities in the world. We are not quite informed on the content and style of the discussion(s) but hopeful that you will attend to it in your next emails.

Hoping for a positive feedback from you, please accept our highest expression of supports for the initiative. Dialogue should not only be integral part of human life, but should be very inclusive to attain better outcomes.

Kind Regards,

Raphael Kasigwa(President) – (+27)727950696
