3 November 2009

Dear Mr. Connolly,

Many thanks for contacting me in relation to the concept of Public Talks. I would be delighted to participate in the upcoming web conference with student leaders from around the world. It is sure to be a unique and enlightening experience and will hopefully be the catalyst for much broader public dialogue.

Please keep me informed of developments and arrangements for the web conference. I very much look forward to hearing from you.

Yours Sincerely,

Cónán Ó Broin
